

# Foil cupboard

385

The wooden parts are fashioned from natural beech and aircraft-grad plywood. The edge protection profiles are made of colourless anodised aluminium, the covering of sailcloth (Dacron in various colours). Shelves and clothes rails can be repositioned as desired. The cupboard makes the perfect complement to bedrooms and living areas. Extremely light: weight 26 kg. Available in two depths and heights.

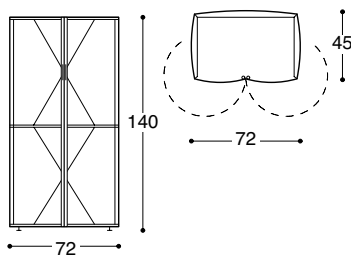

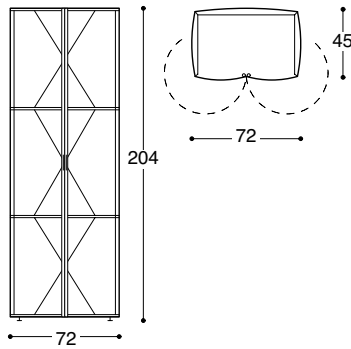

**THUT MOBEL**

The foil cupboard is available in the following 3 sizes:  
 height 204, width 72, depth 61 or  
 depth 45 and height 140, width 73, depth 45 cm

The foil cupboard can be fitted individually with shelves, clothes rails (for depth 61), pull-out wardrobe units (for depth 45), wire baskets (for depth 61) and castors.

The covering is made from sailcloth (Dacron, available in many different colours, able to be printed on request), and polyester as per current material samples. Base, top and support frame in natural beech and plywood, edge profiles and covering (for height 140) in colourless anodised aluminium.

Clothes rail for depth 61. A pull-out shelf is available for the 45 depth cupboard (see bottom right photo on title page).

Wire basket must be fitted under a fixshelf (depth 61).

Dimensions and designs are subject to change without notice.

The depicted colours are not binding. Please ask for our material samples.
