

# Folding curtain sideboard

438/439

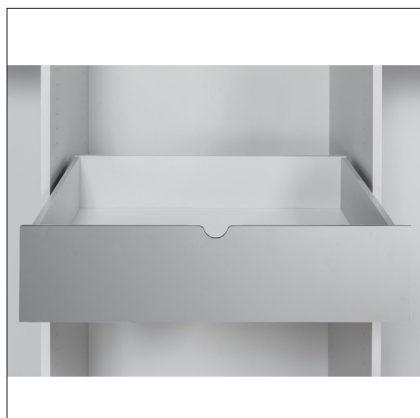

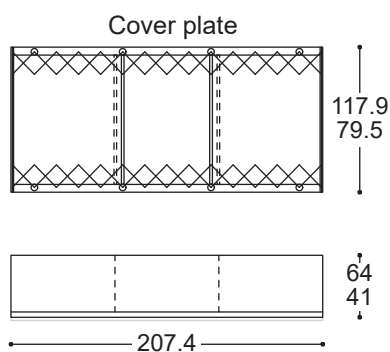

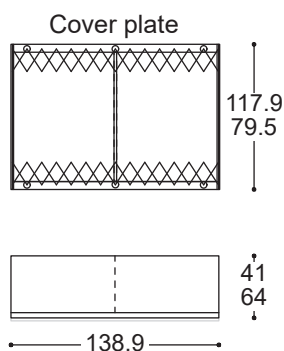

Cover sheet in body color

Cover sheet in linoleum

Cover sheet in glass

The folding curtain sideboard cuts an equally fine figure at home, in the office or as a cabinet in a store. Thanks to a wide range of options, this simple piece of furniture can be adapted to individual uses and has all the same characteristics that make the folding curtain cabinet so successful. The width of the basic module can be extended as required with extension modules and adjusted to an individual width and height if necessary. Various options are available for the fittings, the cover plate and folding curtain front to meet individual requirements.

### Dimensions of the folding curtain sideboard:

Width: basic module 138.9 cm and 207.4 cm, internal dimensions per compartment 66.6 cm.

Height: 79.5 cm and 117.9 cm, depth: 41 cm and 64 cm Special dimensions in height and width are possible.

Body and shelves made of coated wood-based panels (light gray, black or white). Top cover covered with synthetic resin, in glass or linoleum. Drawer front is made of Alucobond (anodized). Folding curtain made of Dacron, polyester, felt or textiles according to our material samples.

The sideboard can be fitted with shelves, drawers and, from a depth of 64 cm, with pull-out shelves, clothes rails and wire baskets. It can also be fitted with lighting, which is available as an accessory.

Drawer with anodized Alucobond front.

Folding curtain sideboard 438 with 3 compartments, curtain Dacron white.

Faltvorhang-Sideboard 438 mit 3 Abteilen, curtain felt beige 454.

Dimensions and designs are subject to change without notice.

The depicted colours are not binding. Please ask for our material samples.
