

Wall rack

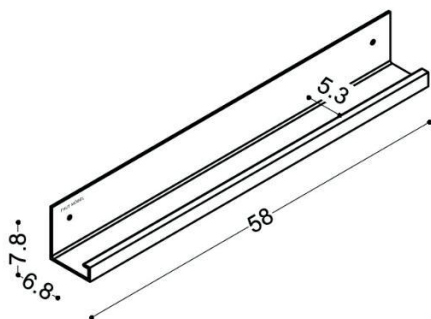

125

Standard length 58 cm, with three large and two small hooks

The 125 wall coat rack adds a stylish touch to any room. Flexible hooks that snap into place easily allow for quick adjustments. You can also add additional hooks of either type. The shelf behind the hooks is perfect for cards, pictures, keys, tools, spices, and much more. Whether as a coat rack in the living room or a solution for the kitchen and bathroom, the profile adapts to your needs. The length of the profile is, of course, available made-to-measure.

The delicate aluminium profile is more than just a coat rack. Minimalist in design, powerful in function.

Dimension:

H. 7,8 cm, D. 6,8 cm, L. 58 cm

The profile is made of anodized aluminium.
Custom lengths are available upon request.
